Caring for Diverse Communities

Integrating Diversity & Ethics Conference

Providing good health care is **more than** treating a disease.

It's about caring for **all** people regardless of ...

Race, Ethnicity, Religion, Language, Sexual Orientation/Lifestyle, Age, Gender, Physical and/or Mental Health, Educational Background, Socio-Economic Status ...

William Osler Health System is pleased to invite you to a One Day Conference designed to build capacity in health care professionals on integrating diversity and ethics considerations into care.

Join us.

October 18, 2010
