William Osler Health System is one of the largest community hospitals in Ontario, comprised of two acute care hospitals - Etobicoke General and Brampton Civic – as well as Peel Memorial in Brampton, slated for redevelopment. We offer a wide range of health services, with care provided by skilled health professionals working in multidisciplinary teams.

Osler's commitment to the community is to provide healthcare in a manner that puts patients and their families first. Through our facilities, our approach to client/patient service and commitment to quality care, we are *Here for you ... caring for you.*

We are seeking a dynamic and motivated individual to join the team of Endocrinologists at Etobicoke General Hospital.

The successful applicant must be able to be licensed to practice in Ontario and hold a Fellowship in Endocrinology from the Royal College of Physicians and Surgeons of Canada.
